ADA Nolan-

I'm just curious if anything has changed (plea, continuance, etc.) in the Brent Taylor trial scheduled for this Thursday, March 18th, since I told another ADA (in Springfield) that I would let him know if I became available that day. Thanks.

It is still on. I will try to get in touch with the defense attorney to see if there is any desire to arrange a plea deal, but as of now, I expect a trial. I'll circle back to you asap with any new information. Thanks so much!

ADA Nolan-

I'm writing to confirm that the [REDACTED] case scheduled for tomorrow, February 4th is still on and that I am still needed to testify. I would appreciate a response as soon as possible since I am scheduled for a Superior Court case in Springfield later today and want to know what to tell the ADA if the trial continues into tomorrow, and because I don't want to make the 1 1/2 to 2 hour trip to Lowell from Amherst if I don't have to. Thanks.

Hi Ms. Farak – unfortunately there has been no change. I will be sure to let you know if something changes, and will reach out to defense counsel to try to get a sense of things. Thanks so much.

ADA Nolan-

I know that this may be a bit early, but I am curious if there has been any changes (trial date, plea, etc.) in the [REDACTED] case scheduled for December 8th? I have a doctor's appt. that afternoon and have already informed them that I may have to reschedule, and I'm just trying to give them as much notice as possible without canceling it prematurely if the case gets postponed. Thanks.
